

TECOMATE PROPERTIES

"LIVING THE DREAM"

WHO WE ARE

Tecomate Properties is a full service recreational properties brokerage that assists with all types of hunting, recreational and income producing property, such as Farms, Ranches, and Plantations.

We specialize in high end properties with a large emphasis on exceptional whitetail properties, and upland game bird and waterfowl properties. In addition, some of our properties also offer opportunities for "Rod Bending" fishing action.

Tecomate Properties is a division of Tecomate and *The Bucks of Tecomate* show, hosted by one of the company's principals, David Morris. Co-hosted with, Jeff Foxworthy, the show is the highest rated hunting show on the Versus network.

WHAT WE DO

Tecomate Properties provides professional real estate services and programs to respective buyers and sellers who are looking for experienced recreational property experts to assist them with all their property needs.

Tecomate Properties is a one-stop shop for recreational land owners, buyers and sellers. We have the in-house ability to perform on site wildlife/property assessments, offer first class consulting services, conduct investment analysis, and create wide-reaching marketing programs.

Tecomate Properties is not your ordinary Land Company. We live the outdoor lifestyle and want to share this experience with all our clients. We are backed a team of skilled professionals ready to help buyers and sellers every step of the way. Please feel free to give us a call or email us for more information on how Tecomate Properties can help you with your recreational property needs.
